ICOPLAST NEWSLETTER 2026 VOL. 1

PRESIDENTIAL NOTE

Dear Members,

ICOPLAST celebrates our 10th Anniversary in 2026 and to mark the occasion, the Egyptian Society of Plastic and Reconstructive Surgeons graciously hosted a 1-day ICOPLAST Symposium on 3 February 2026 during their 56th Annual Congress. Thank you to Dr. Ahmed Khashaba, former ICOPLAST President, for generously facilitating the event!

Later in 2026, there are two further Symposiums during the European Federation of Societies for Microsurgery (EFMS) Congress in Prague 14 - 17 June 2026, and the joint meeting of ESPRAS and Swiss Plastic Surgery Bern 3 - 5 September 2026.

We were delighted to announce the ICOPLAST/JPRAS Collaboration for an ICOPLAST/JPRAS Special Edition Journal for publication in September/October 2026. The Publications Committee has been instrumental in this initiative and is currently peer reviewing the first group of submitted Manuscripts.

The ICOPLAST Committees have all been very hard at work and have also provided updates for you on new and existing initiatives.

We are very happy to welcome new ICOPLAST Membership Applications from The Norwegian Association of Plastic Surgeons, Medical Specialists in Reconstructive and Aesthetic Plastic Surgery of Costa Rica (AMECPRE), and the Sudanese Society of Plastic and Reconstructive Surgeons and with thanks to the ICOPLAST Membership and Communications Committee, we look forward to welcoming several others who have also expressed interest in joining our Confederation.

Generously hosted by the German Society of Plastic, Reconstructive and Aesthetic Surgeons (DGPRÄC), arrangements are well already underway for 4th ICOPLAST World Congress in Berlin 24 – 26 June 2027, and more details are later in this Newsletter.

Dr. Eva-Maria Baur
ICOPLAST President

ICOPLAST 10th Anniversary

ICOPLAST celebrated our 10th anniversary with a symposium during the 56th Annual Congress of Egyptian Society of Plastic and Reconstructive Surgeons (ESPRS) 3 – 6 February 2026.

ICOPLAST is a non-profit organization formed in Uruguay in 2016 as a confederation of National Plastic Surgery Societies.

During the last ten years, ICOPLAST has implemented many initiatives in support of our mission to educate, communicate and advance the Plastic Surgery specialty throughout the world, including convening three ICOPLAST Congresses in Peru, Dubai and South Africa, holding many symposiums in collaboration with our National Societies, and implementing and operating a monthly webinar program, and recordings of all ICOPLAST webinars are available to **view on demand** on the ICOPLAST website.

The stellar work of the past and present members of ICOPLAST Board of Directors and the ICOPLAST Committee Chairs and Vice Chairs has greatly contributed to the continued growth and success of ICOPLAST.

EDUCATION COMMITTEE

Under the leadership of Dr. Horacio F. Mayer, Chair, and Dr. Edward Chang, Vice Chair, we are pleased to continue our monthly webinars covering the entire breadth of plastic surgery. Topics span the diverse types of cases we encounter from cosmetic surgery to complex reconstruction to trauma and burn reconstruction.

We are cognizant to include a diverse group of speakers and participants that represents the diversity and global nature of ICOPLAST and will continue to encourage and include participants from all the different nations that comprise this global society. While many societies and groups have also implemented routine webinars, the webinar idea was a concept ICOPLAST long fostered even before the pandemic which we hope will continue to grow into the future.

PATIENT SAFETY COMMITTEE

Dr. Pietro Berrino, Chair, continues to work with his committee members to advocate for Patient Safety as a primary focus for Plastic Surgeons.

The Committee has recently produced recommended guidelines documents which will shortly be distributed to our National Plastic Surgery Societies for their consideration and possible inclusion in their Patient Safety Protocols.

- Medical Practice Website Guidelines
- Minimum Requirements for Preoperative Informed Consent - Aesthetic Breast Augmentation with Implants
- Minimal Requirements for Outpatient Surgical Facilities

The Guidelines will also appear on the [ICOPLAST website](#)

The committee focus for 2026 will be conducting a survey on National Legislation regarding limiting Aesthetic Surgery to Specialists.

Dr. Berrino would welcome new committee members from National Plastic Surgery Societies in Asia, Africa and the Middle East. Please contact info@icoplast.org for more information.

TRAINEE COMMITTEE

With the guidance and leadership of Dr. Smilja Tudjorova and Dr. Thendo Netshiongolwe, the Trainee Committee has been working tirelessly to support Trainees and Residents in plastic surgery.

A Fellowship Database has been compiled and updated and will shortly appear in the members' area of the [ICOPLAST website](#).

This will serve as a valuable reference resource for trainees and early-career plastic surgeons exploring fellowship training opportunities across the different subspecialty areas of plastic surgery worldwide.

The Committee is also preparing a Global Curriculum Survey to gather information on current plastic surgery training pathways globally, as part of ongoing work towards the development of recommended international training frameworks for trainee plastic surgeons.

YOUNG PLASTIC SURGEONS

The priority of the Young Plastic Surgeons Committee is to provide support to newly qualified plastic surgeons as they embark on their careers.

Dr. Susana Benitez, Chair, is also working with the Committee members compiling a **Young Plastic Surgeons Mentorship Program**, and this exciting new initiative is expected to go live in the Summer of 2026 – keep an eye out for the promotions of these very exciting opportunities!

Under the guidance of Dr. Andrea Battistini, Vice-Chair, new in 2026 are the **Young Plastic Surgeons Webinars**, initially starting with **Tips & Tricks for Success during Fellowship** and **Tips and Tricks for Success in your first job**. When scheduled in the late Spring, watch out for the promotions and don't miss out on registering!

Additional committee members from ICOPLAST National Plastic Surgery Societies in Africa, Oceania and the Middle East would be happily welcomed by Dr. Benitez and Dr. Battistini. Please contact info@icoplast.org for more information.

Also new in 2026 there will be an **ICOPLAST Journal Club** – watch out for more details later in the Spring!

ICOPLAST Symposium at EFSM Prague 14 – 17 June 2026

With thanks to the European Federation of Societies for Microsurgery (EFSM), ICOPLAST will hold two 1-hour symposiums during their Congress in Prague 14 - 17 June 2026.

The EFSM congress scientific program will cover the full breadth of reconstructive microsurgery, ranging from foundational concepts to cutting-edge innovations, exploring both established clinical approaches and emerging trends that are redefining the future of the discipline — including advanced technologies, complex reconstructive solutions, and modern surgical approaches.

The first ICOPLAST symposium, Chaired by Dr. Hinne Rakhorst and Dr. Sanne Molenkamp will be **Complex Challenges in Facial Paralysis: Reconstruction, Reinnervation, Reanimation & Rebalancing**. Speakers will include Dr. Tarek Amer, Dr. Merel Koning Groningen and Dr. Stefan Eisenhardt.

Dr. Marzia Salgarello and Dr. Gregory Evans will chair the second ICOPLAST symposium: **Failed Breast Reconstruction: Flap or not to Flap**. ICOPLAST Speakers will include Dr. Moustapha Hamdi, Dr. Phillip Stillaert, Dr. Stefania Tuinder and Dr. Peter Cordeiro.
